

LWW Health Library

Lippincott Illustrated Reviews (LIR) Collection

Why LWW Health Library?

Designed to support foundational learning and clinical practice, LWW Health Libraries deliver trusted health science education and clinical content to residents, fellows, program directors, faculty, and clinicians through a single portal — providing interactive online access to essential textbooks, multimedia & imagery, real-life case studies, and quizzes.

Lippincott's Illustrated Review book series makes fundamental medical principles come to life and is designed for fast absorption of complex material. The Health Library's videos, cases, and assessments help make the collection a practical resource for students, residents, and even practicing clinicians.

*Supports students, instructors,
and practitioners at any stage
of their career*

LWW Health Library Premium Basic Sciences Collection includes:

- 8 core textbooks for the student and practitioner (full list on reverse)
- Over 100 videos covering key topics
- More than 1,000 self-assessment questions for identifying areas where you need the most support
- Case studies presenting real-world scenarios that illuminate many of the concepts covered in the textbooks •
- Content updated regularly!
- Key titles: *Lippincott Illustrated Reviews: Biochemistry* *Lippincott illustrated Reviews: Neuroscience*, *Lippincott illustrated Reviews: Pharmacology*

Key Features of LWW Health Library:

A single portal to foundational and basic sciences resources, as well as rich multimedia tools for teaching, learning, and practice

- **Account personalization:** Save content to a 'My Health Library', access Health Library from any computer, and set up email alerts for when new content is added.
- **Quizzing:** Create custom quizzes organized by topic, keep track of responses, and link to relevant content to help with remediation.
- **Ovid MEDLINE® widget:** Connects students to valuable primary literature with an exclusive search widget, which returns targeted results and article previews.
- **Advanced semantic search:** View results displayed by title, chapter, topic, and/or type of resource.
- **Responsive Design:** Browse content on your computer, tablet or smartphone with ease.
- **Self-directed learning:** Simple, intuitive navigation and individualized self-assessments give residents control over their progress and motivation to learn.
- **Sharing:** Much content, including technical videos, can be shared with colleagues and classmates
- **Print/save a chapter:** Download chapters via pdf, for easy access to content when offline — for note-taking or to print PDF.
- **Multimedia ancillary content:** Access videos, images, Q & A, patient education handouts, and more.
